Bachelor of Information Technology in Software Development | Date: 2020 to 2023
Southern Cross University

Relevant Units
Web Development
Database Systems
Developing the User Experience
Managing the Software Development
Programming Mobile Systems
Cloud Development Systems

Diploma of IT | Date: 2019
International Institute of Business and Technology

Relevant Units
Computer Fundamentals
Database Design

Principle of Programming
Applied IT Communications

_____

RELEVANT EXPERIENCE:

Customer Service Representative|Date:2022- Current
Woolworths Team and Group, Perth, Western Australia
Key responsibilities:
- Assist customers with product location, answered questions politely and provide exceptional customer service.
- Maintain a well-stocked and organized sales floor by unpacking deliveries, rotating stock, and ensuring proper facing of the product.
- Operate checkout area efficiently, processing transactions and ensuring customer satisfaction.
- Following all the safety and hygiene protocols to create a clean and safe working environment.
- Contributes to a positive team atmosphere by collaborating effectively with colleagues.

Junior software developer| Date: 2023
Serene handicraft Nepal, Personal Local Business, Kathmandu, Nepal
Key responsibilities:
- **Data Collection:** Product IDs and categories of viewed products are collected and stored.
- **Product Display:** The script retrieves a set of recommended product IDs and sends them back to the JavaScript function. This function then dynamically populates a section of the webpage with the recommended products using HTML and CSS.
- **Payment Integration:** When a user chooses to purchase a product, Stripe payment processing is integrated seamlessly within the website using Stripe's JavaScript library.
- **API Integration:** When the user reaches a specific page (e.g., homepage, product listing), a JavaScript function is triggered that sends the collected browsing data to a PHP script on the server.

_____

PROFESSIONAL DEVELOPMENT:

Australian Computer Society Professional Year Program (ACSPYP) | Date: Dec 2023- Present
Stanley College, West Perth

_____

ACHEIVEMENTS/AWARDS:

- **CompTIA IT Fundamentals+ | Date: 24/05/ 2024**
  Skillssoft Australian Computer Society (ACS)

- **New Foundational C# with Microsoft | Date: 04/06/ 2024- Current**
  FreeCodeCamp.Org
